FOR IMO; ALSO FOR RIMC

E.O. 12958: N/A

TAGS: AADP, ACOA, ANET, KGIT, KRIM,
SUBJECT: PROCUREMENT OF GITM PRINTERS

1. IRM - Global IT Modernization (GITM) and A/LM/AQM are pleased to continue offering missions abroad the opportunity to utilize the GITM program's low, negotiated bulk rate for OpenNet black and white printers, and color printers. Historically, GITM has been able to secure bulk procurement rates that achieve an average cost avoidance of 53% on printers. Under this program posts may issue funded Purchase Orders (PO) directly to the CDWG Representative for the acquisition of non-CAA OpenNet black and white printers, and color printers through December 29, 2008. Please remember that all funded orders must be placed by Post Contracting

Officers with warrants issued by A/OPE.

2. The 2008 vendor for bulk procurement of non-CAA OpenNet black and white printers, and color printers are CDW Government (CDWG).

3. Please follow the steps below to capture these
cost savings for your post:

A. Post must contact CDWG Representative Josh Seskes at joshses@cdwg.com or 703-262-8023 to discuss their requirements for non-CAA OpenNet black and white printers, and/or color printers and receive current CLIN numbers.

B. Post must provide CDWG with the GITM Contract Number: Black and White Printers, and/or Color Printers- 1019-832224. These numbers will ensure that post will receive the GITM bulk discounted price.

C. Post will issue a funded PO directly to CDWG. The funded order must be issued by a warranted Contracting Officer resident at post.

D. Post will be responsible for receiving, inspecting, and accepting goods received. Following acceptance, payment to CDWG will be made by post in accordance with posts standard disbursement practice.

E. Shipment procedures are as follows:

- Non-CAA OpenNet Black and White Printers, and Color Printers: CDWG shall ship the ordered OpenNet black and white printers, and/or color printer(s) directly to the purchasing post. The cost of shipping to post will be in addition to the price of the goods. Because the price of the equipment is FOB Springfield, Virginia, if direct shipment is arranged between the vendor and post, post should ensure that the goods are properly insured to protect against damage and/or loss during transit. This cost is not included in the price of the equipment and safe transit is not the responsibility of the vendor.

Telegram

- CAA OpenNet Black and White Printers, and/or Color Printers: Posts are reminded that all CAA procurements or other classified procurement actions for posts must be processed through A/LM/AQM/IT. These procurements will still be afforded the reduced rates.

F. Post is responsible for installation of the procured black and white printers, and/or color printers.

4. For answers to questions relating to the utilization of GITM bulk procurement rates, please contact GITM Operations Division Chief, Jaime Esquivel at EsquivelJX@state.gov. For acquisition
